Pasta cutters for traditional pasta

You won’t believe how smug you’ll feel creating your own authentic pasta at home - from spaghetti and linguini to fettuccine. True satisfaction.

Strong stainless steel

Treat yourself to a commercial-style pasta cutters and roller set made of stainless steel. They’re smart, durable and precise.

Smooth and clean results

Once you’ve rolled your dough to the right thickness, attach the spaghetti or fettuccine cutter to make beautifully neat strands.

Cleaning brush included

Look after your set by cleaning with the included brush (not suitable for the dishwasher or immersion in water).

Powered by your KitchenAid stand mixer

Transform your stand mixer into a pasta machine. The pasta cutters and roller are designed exclusively to work with all KitchenAid stand mixer models. No matter which you have and how old, you can attach the pasta cutters to the multipurpose hub to make a sturdy tool.
