Work healthily with a comfortable vertical mouse.

With the PRF Pro, ergonomics is within reach. This vertical mouse combines immediate familiarity with a relaxed hand position, allowing you to work more comfortably from day one. Thanks to its well-designed fit, the PRF Pro is suitable for virtually any hand size. This 3-mode vertical mouse is suitable for both left- and right-handed users and is ideal for fixed workstations at home or in the office. The button on the underside allows you to easily switch between different devices without having to reconnect. This means the PRF Pro moves effortlessly with you throughout your working day.
