

Canon i-SENSYS MF752Cdw II Laser A4 1200 x 1200 DPI 33 ppm Wi-Fi

Model: 7185C013

Manufacturer: CANON

EAN: 4549292250411

Product Code: 1718596

R10,920

The Canon i-SENSYS MF752Cdw II Colour Laser Printer offers fast Wi-Fi printing and scanning with a small footprint, making it perfect for home and small offices where space is limited. Designed to be easy-to-use, a clear and helpful 5-inch LCD has all the information to hand, with auto-update for latest drivers and instant guidance through on-screen QR codes that link directly to detailed online manuals.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
