ASUS VT169HE is a 15.6-inch Full HD(1920x1080) IPS monitor which combines 10-point multi-touch capability with superb image quality, flexible connectivity, durability and sustainability.
The precise and accurate multi-touch display— allowing up to 10 simultaneous touches — is optimized for use with Windows 11/ 10, allowing you to work smarter and more efficiently, as well as perfect for public usage.
*10-point touch functionality depends on operating system.

Windows 11 Compatible

VT169HE has passed the tests and been confirmed that it has best compatibility and reliability with Windows 11/ 10 operating system compliance. Ensuring home and business users of Microsoft’s new operating system can benefit from ASUS Touch Monitor.
Simply tap, drag, pinch, zoom or spin with your fingers for an amazingly natural and effortless touch experience. All Windows 11/ 10 compliance touch gestures can be used on the ASUS VT169HE.

Perfect Comfort and Flexibility for Home and Office

VT169HE has multiple video and peripheral connectors, including VGA and HDMI, making it suitable for use anywhere, either at home or in the office.

VT169HE features an ergonomically-designed tilting stand that lets you choose the ideal viewing position. The monitor is also VESA mount-compatible, making it easy to mount on a wall or conventional monitor arm. It also allows users to mount NUC / Mini-PCs on the rear of monitor, making the desktop clutter-free and space saving.

Protect Your Eyes
Eye Care Plus Technology

Color Augmentation
Easily distinguish onscreen colors

Rest Reminder

Set pop-up reminders at five-minute intervals, notifying you when it’s time to take a break

Blue Light Filter

Adjustable blue-light filter levels to suit your preference or any scenario

Flicker Free

Integrated TÜV Rheinland-certified reduces onscreen flicker to ensure comfortable viewing

ASUS DisplayWidget Center

Easily adjust your monitor settings through this intuitive app, without having to touch the physical buttons on the monitor.

Sustaining an Incredible Future

Environmental Certification*

Each monitor is stringently tested to meet the requirements of world-leading sustainability certifications. These tests are up-to-date with the latest certification criteria, are independently verified, and serve as a structured system to ensure the continuous improvement of ASUS products.

Eco-friendly Packaging

The sustainable packaging of ASUS VT169HE is FSC® Mix-certified. The lightweight, eco-friendly cardboard box that it’s packed in is designed to keep overall volume to a minimum, for more efficient shipping.

Energy-Efficient Features

ASUS VT169HE includes power saving mode to offer lower power consumption while using.

Eco-friendly Materials

ASUS invests heavily in extensive research and development to ensure that ASUS VT169HE touch monitor is made from latest eco-friendly materials, such as 85% post-consumer recycled (PCR) plastics, halogen-free PCB and mercury-free panel.
