

InLine 69927O cable accessory Cable coupler

Model: 69927O

Manufacturer: INLINE

EAN: 4043718346820

Product Code: 1719960

R909

50 cm integrated USB-C cable with plug: Female to male – ideal for enclosure mounting or low-loss, direct connections.
With IP68 protection for harsh conditions: The robust design with silicone seal provides reliable protection against moisture and dust.
USB-C performance for data and power: Transfers up to 5 Gb/s and 5 V/2 A – ideal for communication and charging applications.
Shielded against electromagnetic interference: For reliable signals in sensitive technical or industrial environments.
Easy installation: Can be easily integrated into enclosures, technical boxes, or distributors.

The InLine® USB-C cable coupling with 50 cm cable is the ideal solution for applications requiring a weatherproof, robust, and low-loss USB-C connection. The permanently integrated cable with connector reduces the number of transitions – ideal for enclosure installation, embedded systems, or technical field installations.
The system offers IP68 protection against water and dust and, thanks to its silicone seal and robust

PA66 housing, is also suitable for permanent outdoor use or in industrial environments. The shielded design prevents interference from electromagnetic fields – perfect for machines, control systems, or sensitive measurement technology, for example.
The cable supports data rates of up to 5 Gb/s and a power supply of 5 V and 2 A. Installation is tool-free via an M20 thread.
This connector is ideal for anyone who needs a high-quality, weatherproof, and shielded USB-C connection with a fixed cable – compact, reliable, and versatile.

Material: Nylon (PA66)
Thread size: M20
Module: USB-C socket/plug
Seal: Silicone
Transfer rate: 5 Gb/s
Current: 2 A
Voltage: 5 V
Charging: Yes
Protection rating: IP68
Temperature resistance: –25 °C to +105 °C
