

InLine 69927S cable accessory Cable coupler

Model: 69927S

Manufacturer: INLINE

EAN: 4043718346868

Product Code: 1719961

R909

50 cm integrated USB-A cable with plug: Female to male – for low-loss connections without additional patch cables.

With IP68 protection for harsh environments: Protection against dust, splashing water, and moisture – ideal for industrial, outdoor, or mobile technology.

Stable data and power transmission: Supports up to 5 Gb/s and 2 A at 5 V – for data and charging applications via a single cable.

Shielded against electromagnetic interference: Suitable for EMC-critical environments and sensitive USB applications.

Easy integration thanks to M20 thread: Suitable for housing bushings or connection panels – can be securely mounted without special tools.

The InLine® USB-A cable coupling with 50 cm integrated cable offers a simple, robust, and weatherproof solution for USB extension. Whether for service work, in industrial enclosures, or outdoor systems – this shielded coupling with IP68 protection is ideal for use in demanding environments.

The USB-A female to male design eliminates the need for additional patch cables and reduces potential sources of error. At the same time, the shielding ensures reliable data transmission at up to 5 Gb/s – even in the presence of electromagnetic interference. In addition, the coupling enables a power supply of up to 5 V and 2 A, for example for charging technology or external devices.
The robust PA66 housing, high-quality silicone seal, and M20 thread enable easy and secure installation in housings, distributors, or technical panels.
This USB-A coupling is suitable for anyone who needs a weatherproof, durable, and easily integrable USB solution – with a compact design and high functionality.

Material: Nylon (PA66)
Thread size: M20
Module: USB-A socket/plug
Seal: Silicone
Transfer rate: 5 Gb/s
Current: 2 A
Voltage: 5 V
Charging: Yes
Protection rating: IP68
Temperature resistance: –25 °C to +105 °C
