Discover the Aspire C all-in-one PC. Equipped with the latest Intel® Core™ Ultra processors1 with Intel® AI Boost and Intel® graphics, it delivers a space-saving and seamless AI computing experience for your home or office.

Do AI Tasks All in One PC

Enjoy the exceptional performance and efficient AI processing power of Intel® Core™ Ultra processors1 with Intel® AI Boost—paired with up to 32 GB1 of DDR5 RAM and up to 2TB1 SSD storage—along with Intel® Unison™ to bring all your devices together.

Intel® AI Boost

Equipped with Intel’s dedicated AI engine, Intel® AI Boost offloads AI tasks from the CPU and streamlines them to run optimally across hundreds of apps.

Copilot in Windows

With your everyday AI companion, Copilot in Windows, do more, quicker than ever with centralized generative AI assistance across multiple applications.2

Make All the Connections

Experience ultra-fast, stable connectivity with Wi-Fi 73. Also featuring Bluetooth® 5.4 with LE audio1, USB 3.2 Gen 2 Type-C, and an HDMI port, Aspire C all-in-one supports a wide range of connectivity options to support all your peripherals.

Optical Clarity

Aspire C all-in-one comes in 23.8” or 27” displays with narrow bezels and incredible screen-to-body ratios—featuring Acer BlueLightShield™ technology for comfortable viewing.

Designed for Versatility

Slim, ergonomic, and minimalist, Aspire C all-in-one delivers exceptional flexibility and maneuverability—with a tiltable screen (-5 to 25°) and swivel (up to 30° L/R) on a versatile height adjustable ergostand at up to 120mm.

Collaborate Confidently

With AI-enhanced solutions such as Acer PurifiedVoice™ and Windows Studio Effects complemented with a 5MP 1944p webcam (with privacy shutter) and dual digital microphones, enjoy the freedom to collaborate with confidence and stay connected with friends and family as if they were there.

Acer PurifiedVoice™ AI Noise Reduction

Utilizing AI algorithms to identify and suppress unwanted background noise, Acer PurifiedVoice™ delivers clear, distraction-free audio for more engaging communication experiences.

Windows Studio Effects

Powered by Intel® AI Boost—experience automatic framing, advanced background blur, and gaze correction for AI-enhanced video calls, so you always appear at your best.

Acer Intelligence Space

Your central hub for intelligent device features, Acer Intelligence Space detects your system hardware and recommends compatible AI applications, helping you optimize performance, enhance your gaming experiences, and discover new tools effortlessly.

Acer Creator Space

Create AI-generated content from text and images in seconds without the need to rely on cloud computing.

Acer Desktop Utilities

Optimize system performance with intelligent adjustment of CPU usage modes based on your system activity.
