Product Code: 1720531

R3,338

Close shave, advanced skin protection with SkinIQ Technology

Reduces friction on skin to minimize irritation

A protective coating lies between the shaver heads and your skin. Made of up to 250.000 micro-tech beads per square centimetre, improves gliding on skin by up to 30%, to minimize irritation.

Powerful performance in every pass

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

With up to 90.000 cutting actions per minute, the SteelPrecision blades shave close, cutting more hair per stroke. The 45 high-performance blades are self-sharpening and made in Europe.

Guides you to an improved technique with fewer passes

Motion-sensing technology tracks how you shave and guides you to a more efficient technique. After just three shaves, the majority of men achieved a better shaving technique for fewer passes****.

Enhanced shaving experience with app

Perfect your shave by pairing your shaver with the Philips GroomTribe app. Shave by shave, track the progress of your skin, personalize your shave and master your technique for a shave that's as close as it is kind to skin.

Adjusts to your beard for effortless shaving

The intelligent facial-hair sensor reads hair density 250 times per second. The technology dynamically auto-adapts cutting power for an effortless and gentle shave.

Adjusts to your facial contour for optimal skin contact

Fully flexible heads turn 360° to follow your facial contours. Experience optimal skin contact for a thorough and comfortable shave.

Engineered for precision and cutting efficiency

The new shape of the shaving heads is engineered for precision. The surface is enhanced with hair guiding channels, designed to move hair into an effective cutting position.

Deep cleaning in just 1 minute for hygienic shaving

Powerful cleaning pod thoroughly cleans and lubricates your shaver in just 1 minute, keeping it performing at its best for longer. The pod is 10x more effective than cleaning with water**. It is the world's smallest cleaning pod, so you can store it easily and use it anywhere.

Shave wet, dry and even under the shower

Adapt your shaving routine to your needs. With Wet & Dry, you can go for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam even under the shower.

Precision trimmer integrated in the handle

Complete your look using the shaver's pop-up precision trimmer. Integrated into the shaver's body, it's the perfect way to maintain a mustache and trim sideburns.

Convenient charging

At Philips, we drive sustainability in all aspects of product creation. Our ambition is to reduce waste and minimize the number of USB adaptors we put in the market.

1-hour charging time and 5-min quick charge

Charge your shaver fully in just 1 hour with the powerful and energy efficient lithium-ion battery. In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.

Shaver comes with Eco passport

Our production facility for blades uses 100% renewable electricity, and our packaging is made with recyclable materials. All shavers come with an Eco passport.
