This flash drive comes with a USB-C connection and has no right-side up, i.e. there is no fiddling with the proper orientation. Since it can be used as a USB-A connector as well it is also the perfect choice for devices that do not have a USB-C interface yet. Brilliant!

- Allows direct recording and playback of films in FullHD
- No more bothersome trying out: USB-C plugs can be plugged in at will
- High-quality and robust metal casing
