Bring diversity to the office everyday

With just one USB 3.0 host interface you receive four further USB 2.0 ports, two USB 3.0 ports, two HDMI® interfaces as well as a Gigabit Ethernet connection and audio ports.

Multitasking for all

Thanks to the HDMI® video interfaces, two additional screens can be connected, both in Full HD quality. The many available USB 2.0 and USB 3.0 ports make sure you will never have a need to compensate one device over the other.
