Think Intellinet Network Solutions for all your rack and cabinet accessories.

Offering more versatility for any 19"; cabinet or rack than the standard fixed installation can, the Intellinet Network Solutions 19"; Cantilever Shelf will help any network administrator create the best network infrastructure for their purposes. Made of rugged steel and coated in antistatic powder to help prevent electromagnetic interference with vital networking equipment this shelf bolts to the front or back of your cabinet and provides easy access to the tools you need, right where you need them.
