Sherlock Holmes needs help! The famous detective is said to have murdered the writer Ignatius Loyde and has been forced into hiding. How did he become the prime suspect in this murder case? And what role does Moriarty play? One to four players, ages 12 and up, assist Dr. Watson in his search for evidence. In this EXIT® - The Game, they follow clues together and approach the solution, puzzle by puzzle. Will they succeed in solving the case?

With the "EXIT® - The Game" series, KOSMOS brings the feeling of a live escape room to your home. Each box offers a group of one to four people an extraordinary gaming experience for a unique and absolutely unforgettable evening! The race against time and the clever puzzles in this innovative game series ensure excitement and mental challenge in your own home. Team spirit is required to solve the puzzles and thus escape the predicament together! So work together, because time is running out...

Live escape feeling at the advanced level.
