EAN: 1200130033742

Product Code: 1722413

R8,217

The JBL Xtreme 5 doesn't just play music—it roars. Rumbling with legendary JBL sound and AI Sound Boost that amplifies bass and boosts clarity, the vibe starts as soon as you hit play. With ambient edge lighting that cues when you need a charge, when you're paired up, and if you're connected through Auracast™. Plus with its IP68 waterproof, dust-proof, and drop-proof design and up to 28 hours of playtime—this is a speaker you can rely on.

Waterproof, dustproof, and drop-proof

From poolside splashes to beach sand to unexpected drops, the JBL Xtreme 5 shrugs it all off. The Xtreme 5 handles party chaos with full IP68 protection and a rugged build that doesn't quit.

Smart EQ Mode

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Smart EQ Mode uses AI to analyze what you’re listening to and automatically tune the EQ in real time—so your podcasts stay clear and your music hits huge.

Turn it up with Auracast™

More speakers, bigger sound. Pair two Auracast™-enabled speakers for stereo or link the whole JBL crew for a wall of sound that powers a whole party.

Customize with the JBL Portable app

Make your speaker yours. Fine-tune your sound with a 7-band EQ, select light themes, and update your tech on the fly—all from the JBL Portable app.

Compatible with JBL EasySing Mic Mini

The Xtreme 5 is compatible with EasySing Mic Mini. Availability may vary across different regions, sold separately.

Ambient light sets the vibe

The Xtreme 5’s ambient edge lighting moves with your music, featuring color themes that shift with every beat or mood. Choose a soft glow for relaxing moments or a vibrant pulse for hangouts. The lighting also provides clear visual cues for power, Bluetooth pairing, battery level, and Auracast™ connection—keeping you perfectly in sync.

Lossless audio playback

Plug in and hear your playlists in their purest form. The JBL Xtreme 5 supports lossless USB-C audio for high-quality streaming that hits every detail.

Power up with the built-in powerbank

Don’t put the good times on pause. The JBL Xtreme 5’s built-in powerbank lets you charge your devices without taking a break from the music.
