The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Max battery

Coupled with low-power models, the device supports up to 90 days10 of ultra-long standby. Featuring 45W SuperCharge for rapid charging and sustained endurance, eliminating low-battery anxiety.

Metal Reliable Body

Flagship aluminum unibody design, crafted from a single piece of alloy with a seamless back. The sandblasted surface delivers a refined, premium texture.

Snapdragon 6s
4G Gen 2
Powered by the all-new Snapdragon processor, it delivers a smooth experience for you.

Circle Every Inspiration, Capture Every Note HONOR Magic-Pencil 4s(USB-C)

Ultra-low latency keeps the stylus perfectly in sync with the screen.
Whether capturing inspiration or signing documents on the go—every stroke flows naturally, keeping your thoughts moving without a pause.

PC-Class File Management

Bringing PC-Class experience to tablets, making file management faster and more efficient.

Four-Dimensional Management Cultivating Healthy Digital Habits
Independent System-Level Protection + All-Dimensional
Behavior Management: Creating a safe digital growth environment.

6-Layered Eye Comfort Comprehensive Vision Care

The learning space provides multiple eye comfort measures, comprehensively building a scientific vision care system that covers viewing distance, posture, and ambient light to effectively relieve eye strain during digital learning.
