Teltonika EU power supply, 18W

Model: PR3PXEU3

Manufacturer: TELTONIKA

EAN: 5704174553618

Product Code: 1722868

R815

The Teltonika PR3PXEU3 is a universal power adapter designed for indoor use, featuring a robust plastic housing in a sleek black color. It supports an input voltage range of 100-240/90-264 V and operates within an input frequency range of 50-60/47-63 Hz, making it versatile for various electrical environments. This model delivers a stable output of 12/11.4-12.6 V and 18 W, suitable for devices requiring up to 12V 1.5A. With dimensions of 93 mm in width and 72 mm in depth, the unit is compact and easy to accommodate in various setups. The included cable has a length of 1.2 meters, providing sufficient reach for most indoor applications. Each pack contains one piece of the Teltonika PR3PXEU3, ensuring that users receive a complete solution for their power supply needs in a single package. This adapter is an effective solution for powering a wide range of compatible devices requiring consistent electrical input.
