The Logitech G PRO 2 gaming mouse redefines precision and versatility in gaming peripherals. With its HERO 2 sensor offering a staggering 32,000 DPI, gamers can experience accuracy, ensuring every movement and click is registered with precision. The inclusion of LIGHTSPEED technology provides the option for a wired or wireless connection, delivering a blistering 1 ms response time that can keep up with fast reflexes.

Customization is at the heart of the PRO 2, featuring programmable buttons and on-board memory, allowing gamers to tailor their experience to their specific playstyle. The ambidextrous design, complemented by customizable side buttons, ensures comfort and efficiency for all gamers, regardless of hand preference. Moreover, the LIGHTFORCE optical/mechanical buttons offer a durable and responsive clicking experience, making every action feel satisfying and reliable. Whether you're a competitive gamer or a casual enthusiast, the Logitech G PRO 2 is designed to elevate your game.
