Logitech C920s is a budget-friendly, work-from-anywhere webcam that delivers a professional video meeting experience. It includes features designed to make you look and sound great in your next meeting. A 78º diagonal field of view perfectly frames you and your space, while autofocus adjusts smoothly and precisely. RightLight 2 technology automatically adjusts to your lighting situation even in low-light or backlit conditions. And dual integrated mics accurately capture your voice from multiple angles for greater nuance. If you’re streaming or recording, use Logitech’s Capture app to edit and customize. Flip down the lens cover at any point to protect your privacy.

- Full HD 1080p video calls – Premium video quality that makes you look like a pro
- Full HD 1080p video recording – A glass lens and full HD mean your recorded videos are crisp and vibrantly colored
