

Kenwood KVL85.004SI Stand mixer 1200 W Silver

Model: KVL85.004SI

Manufacturer: KENWOOD

EAN: 5011423002019

Product Code: 1723333

R9,431

The Titanium Chef Baker XL, brings the addition of integrated EasyWeigh™ scales, enabling you to weigh ingredients directly into the 7 litre and 5 litre bowls or attachment. Saving you time during the baking process, washing up and reducing mess within the kitchen, allowing you to focus on what they love, baking.EasyWeigh™ scales

Save time and reduce mess

Weigh ingredients directly into the bowl as you go, incrementally or individually. You can even weigh directly into optional attachments, like a blender, food processor, or juicer. No mess, no fuss.Nesting DuoBowl™

A perfect set

When your recipe needs two bowls, nesting inside the 7L bowl is a 5L mixing bowl. Both fit the machine without adjustments for seamless baking. Swap your bowl, carry on creating.1200W motor

Power that’s smart too

The digitally controlled motor cleverly adjusts to whatever you're making. You'll only ever use the power you need. And with 1200W of power at your fingertips, you’ll make even lighter work of heavy
