The Braun iCheck® 7 offers smart and fast blood pressure tracking. It is easy to put on your wrist and the smart ‘ball in the hole’ positioning system helps guide you to the correct posture for taking an accurate reading. You can then see your heart health at a glance thanks to clear colour-coded results.

Know your blood pressure at a glance

Braun iCheck® 7 displays your blood pressure reading and syncs effortlessly with the Braun Healthy Heart app to let you track your progress over time.

Braun Healthy Heart app

Easily track the progress of your heart health. Permanently save your readings. Access and share them anytime, anywhere.
