Manhattan SuperSpeed USB-C Cables easily connect USB-A peripherals and accessories with type-C device ports. Ideal for use with any USB type-A, plug-and-play devices. Manhattan SuperSpeed USB Type-C Cables support data transfer rates up to 5 Gbps on Windows and Mac systems for fast, reliable transmissions and current up to 3 amps. Nickel-plated contacts, shielding and fully moulded boots with strain relief help provide dependable connections, maximum conductivity and minimal data loss with reduced EMI interference.
