The collectible unicorn Rosabel has a beige-yellow coat with pink accents on her legs, and a pink mane and tail. Her stand-out features are her tail, mane, and fetlocks, all adorned with delicate rosebuds! Enchanting! Rosabel also has a signature tattoo on her flank. Along with our other collectible unicorns, she is part of the most fabulous herd in BAYALA®. Ready to introduce her to the kids?

You can see joy written all over the collectible unicorn Rosabel’s pretty face. The foal tilts her pink button nose into the air and sniffs. Something smells delicious! Maybe it’s the flowers and herbs at the edge of the meadow? Rosabel loves flowers! But even more than that, she loves the other foals. She quickly lets her friends know, and they all trot off together. Each collectible unicorn is unique, with a beautiful tattoo on their flank. Rosabel gives her friends a fabulous poster of the herd, the perfect addition to any playroom!
