The collectible unicorn Birdie can be spotted from miles away! Her coat, mane, and tail are done in striking turquoise, while her legs are a soft yellow and dusted with glitter. Her curved tail and mane also sparkle, and she sports a beautiful butterfly tattoo on her flank. Along with the other collectible unicorns, Birdie is part of the cutest herd in BAYALA®. Do you think they get together for adventures in your playroom?

The collectible unicorn Birdie trots happily across the meadow. Her turquoise tail swings with every step, and her mane flutters in the wind. That’s just how Birdie likes it, and she starts to run even faster. Her dainty hooves gallop over the grass as she lets out a joyful whinny. The foal looks around—where are the others? She quickly runs back to her friends, the other collectible unicorns. "Let’s have a race—first one to the shore wins!" The other unicorns don't need to be told twice. Off they go! Every unicorn is unique, with a striking tattoo on their flank. Birdie gives her friends an adorable poster of the herd that will look great in any playroom!
