Quality laptop stand with a welcome price.

The high-quality, lightweight aluminium sandwich material in the trend colour dark grey with a matt finish, makes it resistant to dents and gives the FlexTop 170 an exclusive look. The flexible height adjustment strap ensures an easy and quick installation of your laptop in one of the seven heights. The Anti-slip feet for a secure stand and a foam lining to protect your device from scratches complete the features of the FlexTop 170. Adjust your laptop screen to the optimum height and viewing angle with the FlexTop 170. More visual comfort, a better posture, and the best comfort for you when you are working on the computer.
