R1,972

Logitech C925e Webcam 1920 x 1080 Pixels USB 2.0 Black

High-def video for enhanced collaboration

Video boosts collaboration between team members who can’t meet in person. Enhance every opportunity for collaboration with the Logitech C925e Webcam, which delivers affordably priced, HD-quality video in any environment – in the office or on the road. The C925e works with virtually all video conferencing software applications, so you can quickly set up and run every meeting.

Reasons to Buy

Certified for business

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

C925e is certified compatible with Skype for Business and Cisco Jabber™, and offers enhanced integration with BlueJeans, Broadsoft, LifeSize Cloud, Vidyo, and Zoom.

Great video in any environment

Show your best side on every video call, wherever you are. The C925e Webcam features a 78-degree field of view, just right for one or two people. With RightLight™ 2 Technology, the C925e intelligently adjusts to improve visual quality in low-light and backlit situations.
