## R1,876

The **Dahua P5D-5F-PV** is a state-of-the-art **5+5MP Outdoor Wi-Fi Dual-Lens Pan & Tilt Camera** designed to provide exceptional surveillance solutions. As part of the **Picoo Dual Series**, it features a unique combination of fixed and PT lenses, enabling simultaneous live monitoring of two distinct areas, greatly enhancing situational awareness. This dual-lens configuration is complemented by advanced smart detection capabilities, including **AI human and vehicle detection**, effectively reducing false alarms and ensuring reliable performance.

Equipped with sophisticated tracking functions, the Dahua P5D-5F-PV can automatically follow moving targets, ensuring that no activity goes unnoticed. Additionally, the camera is designed to
