Bring the star power to your next party

Power up the JBL PartyBox Encore 2 and let the good times roll. With this portable speaker, you'll want to play DJ at every event, with smooth JBL Pro Sound, a light show to fit the mood, and a mic for your emceeing pleasure. Feel that extra oomph in your chest from the epic highs and deep lows, whether your playing a new pop ballad or going with a classic slow jam. Once you've nailed the soundcheck, it's time to turn up the ambiance with a light show that grooves to your beats. Ready to run the show? Grab the digital wireless mic and become your own emcee or karaoke host! You can also customize your sound with adjustable echo, bass, and treble controls to make sure you sound just right. From open rooftops to crowded basements, the JBL PartyBox Encore 2 knows how to adapt, with its grab-and-go handle and IPX4 splash-proof design. What's better than one JBL PartyBox Encore 2? Two! Pair them up for true stereo vibes or link with other JBL Auracast™-enabled

speakers for an even wilder dance party. And if 15 hours of nonstop jams isn’t enough, grab a spare rechargeable battery to keep the music going. Make the vibes immaculate with the JBL PartyBox app, where you can control your playlist, add fun sound effects, and pick the perfect light show mood—all while you’re doing the worm on the dance floor. Whatever the occasion, the JBL PartyBox Encore 2 knows how to bring all the feels.

JBL Pro Sound gets an AI Sound Boost

Pop ballads, slow jams and everything in between, we've got the sound to make your playlist shine. Feel that extra oomph in your chest as the silk dome tweeters and powerful woofers bring those epic highs and deep lows. Want to turn it up even louder? Your music will still sound crystal clear as the AI Sound Boost delivers more powerful sound with less distortion.

Dynamic lightshow

Is it really a party without a lightshow? Dance the night away with glowing light patterns and strobe effects that would make any club jealous.

Up to 15 Hours of play time

Keep the good vibes going on a single charge with up to 15 hours playtime. And if 12 hours of nonstop jams isn’t enough, pop in a spare rechargeable battery to keep the music going. Or charge for 10 minutes and get an extra 80 minutes of play time.
