Height adjustment with just one action: the high-performance gas spring allow the height of any monitor, including heavy ones, to be adjusted with ease - perfect for desk sharing

Fully mobile monitor holder

For an ergonomic workstation: This monitor holder adapts to your personal requirements and posture. Whether you need stepless height adjustability, swivel and tilt functions, pull-out capability or portrait or landscape formats, this is how ergonomics works in the office and home office

360° rotation

Full-screen rotation: 360° rotate for optimum orientation, perfect for landscape and portrait orientations for special software requirements – simply rotate the monitor depending on the task, program and comfort

Integrated cable management

For tidy workstations: Cable management guides the monitor cable tidily behind the screen, avoiding cable spaghetti and saving space. The cable guide also protects the cable against breakage thanks to strain relief

Convenient clamp fastening from above

Fast and straightforward desktop installation: The monitor holder is attached to the desk in no time at all with the clamping screw - simply attach it to the desk from above and tighten it

Detachable VESA plate

Easy installation of the screen - first put the VESA plate on the monitor, then screw it to the screen holder, and you're done

Clamping or drilling

Drill-free clamp mounting or fixed by drilling: Thanks to a wide range of fastening material, the device can be perfectly positioned anywhere – with or without drilling, the choice is yours
