Go, go glamour. Looking for a little extra sparkle in your life? Meet the Disco case with a va-va-voom vibe that glitters, gleams, and sparkles. Too much? Maybe. But who cares? You deserve the shine. This full-body Disco case protects your watch from scratches and impacts, while still providing easy access to all buttons. And there’s no need to remove it while charging.

Beyond protection, the Disco case prolongs the lifetime of your watch so that one day you can pass it on to someone else who will love it just as much as you do. That’s one way of working toward a more sustainable future. Another is to use less packaging: In 2024, we reduced the amount of paper in our PanzerGlass® core product packaging design by an average of 66%* and now deliver this product in a recyclable FSC™-certified box.
