Kensington Slim Resettable Combination Laptop Lock Ultra For NanoSaver Security Slot

Model: K60629WW

Manufacturer: KENSINGTON

EAN: 085896606291

Product Code: 1726210

R2,520

Ideal for thin laptops with a nano slot, the Slim NanoSaver® Combination Ultra Cable Lock offers our highest level of protection against cutting attempts, while allowing the laptop to lie flat and stable without blocking valuable ports. Extra-thick (6.5mm) 1.8m carbon steel cable is sheathed in an anti-shearing plastic sleeve that resists cuts and protects surfaces. Features include a resettable four-number combination, one-handed operation and Register & Retrieve™ for quick, secure and easy combination retrieval. Meets or exceeds rigorous strength testing standards. Five-year warranty. From Kensington, inventor of the laptop cable lock and industry leader in physical device security for more than 25 years.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The extra thick (6.5mm), extra strong 1.8m ultra cable is made of carbon steel for our highest level of protection against cutting attempts. Anti-shearing plastic cable sleeve resists cuts and protects surfaces.

Slim lockhead allows the laptop to lie flat and stable.

Won’t block valuable ports, allowing for full use of the laptop while attached.

Resettable four-wheel number code lets you choose from 10,000 possible combinations.

Pivot and rotate cable head featuring one-handed operation allows for easy and flexible connection and movement.

Register & Retrieve™, Kensington’s free online code registration program that allows for quick, secure and easy lookup if the combination is ever lost or forgotten.

Kensington locks are verified and tested. Each lock is precision engineered to meet or exceed rigorous industry standards for strength, physical endurance and mechanical resilience.

A five-year warranty means you can rest assured knowing you’re covered by Kensington, inventor and worldwide leader in laptop security locks.
