

Gorenje VCEA11CXWII 2 L Cylinder vacuum Dry 750 W Dust bag

Model: VCEA11CXWII

Manufacturer: GORENJE

EAN: 3838782089077

Product Code: 1726649

R5,039

Full Indicator

Full bag/bin indicator

An indicator will let you know when your dust bag or bin is full and has to be replaced or emptied. This has two advantages: it improves cleanliness and protects the motor from overload. When the bag or bin is full, the resistance to the air passing through the vacuum cleaner is greater, putting more stress on the motor.

RubberWheels

Rubber-coated casters

Rubber-coated casters prevent damage to delicate flooring like parquet, and provide stable grip. The

vacuum cleaner does not leave any marks or scratches as it moves across smooth or hard surfaces.

AutoCabel

Automatic cable reel

Automatic cable reel, standard Gorenje vacuum cleaner equipment, will automatically reel the cable back into the appliance housing.
