

Fujitsu LPe31002-M6-F interface cards/adapter Internal Fiber

Model: S26361-F5596-L502

Manufacturer: FUJITSU TECHNOLOGY SOLUTIONS

EAN: 4057185676779

Product Code: 1727066

R51,971

Fibre Channel Host Bus Adapters (HBA) enable data exchange over large distances and extend

your existing FUJITSU server systems by including communication interfaces using high-speed communication technology. All connections are redundant and hot-pluggable.
The combination of hardware and software exemplifies the high-performance quality of communication.
The number of system restarts is reduced thanks to optimized software and extended error check functions help improve the integrity of your company’s information.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
