With two powerful jaws, it’s ready to crush its attacker. Who will emerge victorious in this battle? Better keep your distance!

Who will claim victory here? The red Fire Dinosaur, with its flaming lizard comb and menacing yellow eyes? Or the Jungle Lizard, with its green back armour made of lianas and its two fearsome heads? Both warriors are fighting to the bitter end. Its terrifying roar can be heard from miles away. Horrifying! Run for cover before innocent bystanders get caught in the crossfire! Help!
