Her tail is also two-toned. Sumsa’s pride and joy is the bee tattoo on her flank. Along with our other collectible unicorns, Sumsa is part of the most beautiful herd in BAYALA®. What will the kids think?

The collectible unicorn Sumsa hums happily to herself as she dances across the colorful meadows of BAYALA®. She marvels at the bees flitting around or perched on the bright flowers. She can think of nothing better. In fact, Sumsa loves bees! She even has a bee tattoo on her flank! She lets out a joyful whinny and the other collectible unicorns come running. What's going on? Each unicorn is unique, with a beautiful tattoo on their flank. Sumsa gives her friends a fabulous poster of the herd that will also look great in your playroom!
