The Shadow Giant is a black and purple titan that roams the land of ELDRADOR®. It has massive legs and tiny red eyes that peer menacingly from its thick skull. Currently, it holds a dangerous weapon in its massive paw and is ready to strike at any time. Take cover!

Stomping through ELDRADOR®, the massive Shadow Giant is trouble on two legs. It’s always in a bad mood and ready to pick a fight! Brave souls might want to think twice about confronting it, as most won't stand a chance in a duel with this beast! It's incredibly strong and can crush its opponents with its bare fist. It also carries a perilous hatchet with two sharp ends. Trust us—fleeing is the best alternative here!
