Depth-Adjustable DIN Rail Rack-Mount Kit to Easily Mount Your Top Hat Equipment in a 19-inch Cabinet

The Adjustable 19"" Rackmount DIN Rail Kit, 2U from Intellinet Network Solutions allows for seamless integration of your top hat DIN rail equipment into a 19 in. network enclosure, open frame rack or server cabinet.

Tailor Your Space with Depth Adjustment

With eight adjustable levels ranging from 48 to 174 mm (1.89 to 6.85 in.), it accommodates a wide spectrum of products. Whether it's industrial PoE switches, media converters, power supplies, circuit breakers, terminal blocks, or more – this kit adapts to your needs.

Compliant and Compatible

Meeting EIA 310 / IEC 60297 standards, it fits into all standard 19 in. / 482.6 mm racks. The DIN-rail, in accordance with IEC/EN 60715 standards, ensures a perfect fit for your equipment.

Durable Construction Built to Last

Crafted with heavy-duty anodized 2 mm thick aluminum, our kit is built to withstand the test of time. It offers great strength and stability, providing a maximum load capacity of 9 kg (20 lbs.).

Everything You Need Included

We've got you covered with a package that includes four M6x12 screws, four M6 cage nuts, and four M6 plastic washers for 19"" mounting straight out of the box.
