Model: 133479

Manufacturer: EQUIP

EAN: 4015867242346

Product Code: 1728689

R821

The Equip 133479 2-in-1 USB-C OTG Adapter is a compact and versatile accessory that expands the functionality of modern USB-C devices. With a focus on mobility and efficiency, this adapter enables seamless connection of USB-C peripherals while supporting advanced features such as high-speed data transfer and fast charging.

Thanks to the USB-C OTG (On-The-Go) function, smartphones, tablets, and laptops can act as hosts, directly connecting storage drives, keyboards, mice, cameras, and other USB-C devices. With data transfer speeds of up to 10 Gbps, the adapter ensures fast synchronization of large files, videos, and images – ideal for professionals and everyday use.

In addition, the adapter supports Power Delivery (PD) of up to 100W, providing efficient charging for laptops, tablets, and other power-hungry devices, even while connecting peripherals. This eliminates the need to choose between charging and expanding – the adapter delivers power and productivity simultaneously.
