CAMERA OSMO POCKET 4P STANDARD/COMBO CP.OS.00000658 DJI

Model: CP.OS.00000658

Manufacturer: DJI

EAN: 6937224148321

Product Code: 1729159

R13,332

Osmo Pocket 4P features a 1-inch wide-angle camera with 17-stop dynamic range and D-Log 2 for stunning light and shadow, plus a 60mm lens with an f/1.8 aperture for natural portraits. With 3-axis stabilization, ActiveTrack 8.0, and up to 8× ultra HD slow motion, cinematic 4K footage is always within reach.

Own the Light With 17-Stop Dynamic Range

The wide-angle lens features an all-new 1-inch CMOS. Powered by LOFIC technology, dynamic range climbs to 17 stops. Whether shooting indoors or outdoors, in glaring sun or low light, Osmo Pocket 4P keeps highlights and shadows balanced, so creativity never has to wait for the best lighting.

60mm Med-Tele Lens for Standout Portraits

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The new med-tele lens supports 3× optical zoom and up to 12× zoom. Paired with an f/1.8 large aperture, it creates natural bokeh that makes portraits look more dimensional and defined. Push the joystick or tap the on-screen zoom multiplier to glide smoothly between framings and capture standout portraits with ease.

Pristine Nights, Brighter You

Even at night, Osmo Pocket 4P balances ambient light and subject illumination with precision. Footage stays clean with low noise, ensuring your subject stands out beautifully against vibrant night scenes.

Authentic Beauty, Instant Glow

Get a natural, luminous complexion straight from the camera. You can fine-tune skin smoothness, brightness, and tone directly on the touchscreen. Alternatively, pair with the DJI Mimo app for more Glamour Effects, or choose from six built-in film tones for a one-tap cinematic look.

Cinematic Slow-Mo, Play With Time

Capture highlight moments in 4K/240fps slow motion, or use a slow shutter to trace flowing light. Bend time and shape light to bring your cinematic stories to life.

New D-Log 2, Pro-Grade Color

Built for pro creators, Osmo Pocket 4P captures and restores authentic, nuanced colors. The new D-Log 2 color profile, paired with 17-stop dynamic range, preserves more highlight and shadow detail. With 10-bit color depth capturing over 1 billion colors, transitions stay smooth and grading flexibility stays wide open.

3-Axis Gimbal, Always Steady

A compact body features advanced 3-axis mechanical stabilization to keep footage smooth and steady. With multiple follow modes and a custom button, you can instantly lock the gimbal or switch modes, mastering any camera move with ease.

ActiveTrack, Always Centered

ActiveTrack 8.0 keeps subjects centered across various holding positions, with even greater stability.

Rotate to Record, Gesture to Control

Rotate the touchscreen to power on quickly and capture inspiration in an instant. Shoot solo with confidence using Gesture Control. Flash an open palm to trigger ActiveTrack, or a V sign to begin recording.

4K Live Photo, Memory in Motion

4K Live Photo automatically records a 1.5-second clip before and after each shot. Packed with 4K details, every frame feels like a standout moment.

37MP High-Res Photo

Snap up to 37MP photos with crystal-clear details and reframing flexibility in post.

800MB/s High-Speed Transfer

USB 3.1 support enables wired transfer speeds up to 800 MB/s for near-instant export and a more efficient workflow.

Ample Built-In Storage

Built-in 103 GB storage means shooting starts without a memory card. Always be ready to capture everyday moments and travel highlights.

More Pro Possibilities

Osmo Pocket 4P takes on professional scenarios like Wi-Fi livestreaming and online meetings. Built-in Timecode also keeps post-production efficient and organized.

Accessories for Great Content Creation

A versatile lineup of accessories including the Fill Light, Black Mist Filter, ND Filters, Osmo FrameTap, wireless microphone, and Battery Handle makes it easy to create with balanced lighting, vibrant color, and clear sound, fully unleashing Osmo Pocket 4P’s cinematic potential at your fingertips. Summary: DJI Osmo Pocket 4P. HD type: 4K Ultra HD, Maximum video resolution: 3840 x 2160 pixels, Video resolutions: 3840 x 2160,1920 x 1080,3072 x 1728. Megapixel (approx.): 37 MP, Maximum image resolution: 7680 x 4320 pixels, Image formats supported: JPEG, DNG. Audio formats supported: AAC. Controllable tilt range: -125 - 58°, Controllable pan range: -235 - 58°, Controllable roll range: -45 - 45°. Product colour: Black, Market segment: Consumer | Vendor Homepage:
