R1,048

Long Life cutting holes in various materials

- High-speed steel with 8% cobalt for durability and great performance
- Bosch Power Change for removing plugs and changing hole saws efficiently

PRO Multi Material PC Plus for Long Life Cutting Holes in Various Materials

Electricians and plumbers find hole saws invaluable for installing pipes, electrical boxes, and recessed lighting. Ideally, they want to carry just one kind of hole saw for the challenges and materials that interior installation presents. That's why we have the PRO Multi Material.

The PRO Multi Material Hole Saw has enhanced tooth design for fast and smooth cuts and high-cobalt HSS alloy teeth for longevity. It tackles steel cladding and drywall effectively. The Power Change plus makes changing hole saws and pilot drill bits faster and removing material plugs easier.
