

Bosch Atino Line level 1.7 m 630 - 650 nm (< 10 mW)

Model: 0603663A03

Manufacturer: BOSCH

EAN: 4059952648002

Product Code: 1729509

R1,963

No need to call for help – easy and flexible alignment of favourite objects in a flash

Now it's easy to mount objects on a wall without needing assistance or using multiple measuring tools. The Atino is an innovative all-in-one device that combines a line laser with a removable 2 m measuring tape. It can be attached to smooth surfaces (e.g. tiles, marble) and rough surfaces (e.g. wallpaper, plaster) with the enclosed gel pad or pins. The laser line can be levelled at 0°, 90°, 180° and 270° for flexible working in all directions. Green LED lights indicate when the laser line is straight with a high accuracy range of +/-0.3°**. The laser line has a working range of 2.2 m suitable for all arm-length applications. The measuring tape can be removed and locked for use as stand-alone measuring tape and before working on the wall. This tool is intuitive and makes light work of a wide range of alignment and mounting tasks, whether putting up pictures or shelves, attaching
