consistency across training and life.

Titanium, Shaped by Precision

Strength, shaped with balance and restraint.

Hybrid Training

Performance is built through structure, balance, and control.

Built for Every Part of Your Training

Balance Ultra is the engine of the Hybrid Training System, built for strength, endurance, and recovery.

Intelligence

Zepp App transforms training, recovery, and stress into structured insight.

Presence, Without Weight

Form in balance. Effortless on the wrist.

Built for HYROX Performance

Exclusive HYROX tools connect structured preparation with race-day execution, including support for real-time indoor pace tracking through a connected Stryd footpod in HYROX Race Mode.
