Both lenses on the Cruiser Dual 2 Pro are 4MP sharp, giving you the picture clarity you need to easily see the details in your surveillance.

Make the night day-time - Aurora™ Low-light Imaging Technology

Cruiser Dual 2 Pro uses an super-large aperture and a large target surface sensor to multiply the amount of light intake, and with the AI-ISP picture algorithm, it makes the nighttime surveillance image look like daytime; you can also use infrared and full-color night vision modes, or turn off night vision.

Stronger deterrent for intruders

Cruiser Dual 2 Pro is equipped with warning lights that emit red and blue light, which will protect your home from intruders by being more of a deterrent when an intruder is detected than a regular white light warning.

The adjustable dual-lens give you 360° protection

The Cruiser Dual 2 Pro's pan-tilt lens supports 0°-355° horizontal rotation and 0°-90° vertical rotation, while the fixed lens supports 0°-260° horizontal rotation and 0°-25° vertical rotation to protect your home 360°.

Dual-channel detection powered by IMOU SENSE®

IMOU SENSE® is a self-developed AI algorithm under the IMOU brand. each of the two lenses of the Cruiser Dual 2 Pro uses its own algorithm, which doesn't degrade the accuracy due to an increase in the number of lenses, giving it a 50% increase in overall accuracy and delivering the detection results back to you within 0.02 seconds.

IMOU All-day Saving Recording Mode

In AOR mode, the camera records full-frame video only when an event is detected, and 1 second/frame at all other times. This meets the need for all-day video recording and saves storage

space significantly, allowing more video to be stored on a smaller memory card.

Customize your algorithmic matrix with Algo Play

You can choose and download the algorithms you want through Algo Play to make the IMOU product exactly what you need, and the algorithms will be updated and continuously upgraded to improve your experience.

Professional protection to weather any storm

With IP65 water-resistance, Cruiser Dual 2 Pro is able to against dust penetration and can easily handle rain and wind, keeping you safe around the clock.

More stable connections with Wi-Fi 6

Cruiser Dual 2 Pro supports the latest Wi-Fi 6 standard, which dramatically increases transmission rates and significantly reduces the number of disconnections, making data transmission more stable and secure.

Protect according to your preferences

- Favorite point setting
- Customizable detection zone
- Customizable alarm sound
- Protection scheduling

Spotlight & 110dB Siren

Cruiser Dual 2 Pro keeps an eye on your house, when someone breaks in, the 110dB siren will turn on to deter the unwelcome visitor.

Protect Your Home Like You Are There

Built-in speaker and microphone with echo cancellation feature allow you to interact with pets and family from anywhere.
