i-BOXX 53 set 10 Professional: Further information

Product Highlights

The i-BOXX 72 with i-BOXX 72 Set 10 offers flexible storage in line with the Bosch Mobility System. The i-BOXX 72 Set 10 (included) consists of 10 differently sized and specially arranged coloured boxes for storing different items such as small accessories or consumables, providing an organised overview. The practical i-BOXX 72 allows for easy transportation and comes with a transparent lid for a clear view of the items inside. The i-BOXX 72 Set 10 is compatible with the i-BOXX rack and the LS-BOXX for full flexibility in storage.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
