R1,624

Enjoy the interactive view

View your messages and incoming calls from the display window without opening the cover. While in a meeting or at work, take a quick look at important notifications with the Small-Screen View.

Seamless control at your fingertips

Answer calls or pause music with a simple tap, even with the cover closed. Experience control like never before, one tap does the trick.

Carry all your essentials

Keep your cards handy for everyday use in the hidden pocket inside the Smart View Wallet Case. Embrace convenience and elegance, all in one.
