

CyberPower Online S Series Online Double Conversion USV 2000VA/1800WTower, ECO Mode, LCD, USB, Smart-Slot

Model: OLS2KECR

Manufacturer: CYBERPOWER

EAN: 4711027792613

Product Code: 1730444

R8,994 ~~R11,834~~

CyberPower OLS2KECR provides reliable battery backup and power protection for multimedia devices, IT equipment, computers, workstations, NAS/Storage devices, telecom devices, networking devices, security/emergency systems, and surveillance systems. The UPS adopts double-conversion topology to provide optimal power quality as well as ECO Mode to conserve power and save on energy costs. Furthermore, the product is generator compatible to achieve power continuity and designed with Smart Battery Management (SBM) to extend battery lifespan.

In order to reduce noise and ensure greater comfort for users, the UPS is equipped with variable speed fans to provide automatic thermal management based on power load. The color LCD panel
