Motorola moto snap wireless charger Universal Grey USB Wireless charging Indoor

Model: PG38C09014

Manufacturer: MOTOROLA

EAN: 840493634869

Product Code: 1730893

R1,280

Hello, moto snap wireless charger — fast, precise, and effortless power in a refined aluminium build. Charge Qi-compatible devices at up to 30W with compatible motorola phones (25W on other Qi2.2 devices), while strong magnetic alignment snaps your device securely into place for a reliable connection. Zero standby power consumption reduces energy waste. Optimized for efficient, cooler charging. Built-in overheat and overcharge protection plus an IPX2 splash-resistant design keep everyday charging simple. Includes a durable 1.5m braided USB Type-C cable. Compatible with magnetic charging cases. Slim, compact profile fits your desk, nightstand or travel bag.
