R9,909

Immerse yourself in the game with Game Drive Hub for Xbox. Build a premium Game Vault with 8 TB of storage, while the bold design of the hub complements your whole Xbox gaming station. The built-in LED light bar illuminates your gaming centre in Xbox green, while dual front-facing USB-C and USB-A ports keep all your essentials charged and ready to rock.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
