R1,169

Rain or shine, the ROG Ranger Carry Sleeve 16 provides all-round protection for your laptop and other gaming gear. Its stylish water-repellent construction includes detachable buckles and an adjustable shoulder strap, giving you the flexibility to use the Sleeve in three different ways.

UNMATCHED VERSATILITY

Form meets function in every thoughtful detail. The detachable strap lets you use the ROG Ranger Carry Sleeve 16 in three different ways—Sling it across your shoulder, carry it via the woven handle, or simply do away with the strap and slip it into your bag.

ALL-ROUND, ALL-WEATHER PROTECTION

High-end hardware deserves high-quality protection. Designed for daily use, the ROG Ranger Carry Sleeve 16 has a multilayered fabric construction topped with 600D polyester and PU to guard against everyday scuffs and knocks. Plus, it’s water-repellent so your valuables are safe from the elements. Inside, the Ranger Carry Sleeve is lined with 8 mm EPE foam and has velvet to protect your laptop and other gear from scratches.

EVERYDAY CONVENIENCE

Built-in pockets make it easy to bring your favorite accessories with you everywhere. There’s an inner pocket for your laptop and documents, while an external pocket keeps travel essentials within easy reach.
