R9,665

This APC Single phase Easy UPS is designed for essential power protection needs of small to medium businesses even in the most unstable power conditions. This 1000VA line interactive tower UPS provides pure sine wave power to handle a wide voltage range and inconsistent power conditions. The plug and play SMV comes with IEC 320 C14 input connection and 6x IEC 320 C13 outlets. The line interactive UPS supports communication interfaces like the USB port and RS-232 for monitoring

and management. The UPS has an intelligent card slot for an optional network management card (APV9602) that enables network-based UPS monitoring and management. The Easy UPS and built-in lead-acid battery are covered by a 2-year warranty. Ideal for business PC/workstations, small offices, server rooms, audio/video systems, and retail point-of-sale. The UPS is compatible with the replacement battery APCRBCV206.
