Ugreen 30333 card reader USB Black

Model: 6957303833337

Manufacturer: UGREEN

EAN: 6957303802852

Product Code: 1732455

R760

5Gbps Super Speed on Data Transfer

Support super faster data transfer up to 5Gbps through USB 3.0 interface -10X faster than USB 2.0, transfer HD movies, or files in just seconds.
Read and Write 4 Card Simultaneously

Unlike other single-reading Card Adapters, Ugreen Card Reader enables you to read 4 cards simultaneously and keeps you away from the hassle of constant unplugging and re-plugging.
Compact Design and Premium Quality

Easy to grab and go with a 50cm cable tail with multi-shield tin-plated pure copper core and would reduce stress on the USB port on your computer and ensure high data transmission efficiency and ultimate durability.
