These high-quality M6 x 12mm screws and cage nuts make it easy to mount equipment in your server rack or cabinet

This 50-pack of M6 mounting screws and cage nuts is convenient to have on hand for installing rack-mountable equipment, such as your server, network or audio/video equipment. Each pack includes a cage nut installation tool to ensure a fast and simple installation of each cage nut. This TAA compliant product adheres to the requirements of the US Federal Trade Agreements Act (TAA), allowing government GSA Schedule purchases.

They are also suitable for new server rack and cabinet setups - perfect for those times when you drop or misplace a nut or two. The bulk package ensures that you have enough available for all your installation needs, when you need them.

Both the server rack screws and the nuts come in an all-black finish for a seamless look.

The CABSCREWM6B is backed by a StarTech.com 2-year warranty.
